

# **Band Commitment Form**

**Due: 9/6/16**

**Student,**

I, \_\_\_\_\_, have read the entire 2016- 2017 OMMS band handbook, and I understand all of policies, procedures, requirements, and expectations that have been presented. Being a Band Member means being a part of a team. Every member of the team, including myself, plays a crucial role in creating the team's success. By signing this form I understand that Band is a major commitment of time, energy, and hard work. By signing this form, I am committing myself towards becoming the best musician possible. I understand this commitment lasts the entire school year and I will carefully plan my calendar around the mandatory dates listed in the handbook. I will attempt to practice my instrument 30 minutes a day (school days), and be a responsible student by adhering to the expectations, policies, and procedures. I understand that if I am unable to do this, a violation of these regulations may result in my removal from the Band Program.
